Who are we?

- Business in Denmark is a national contact point for foreign service providers with business activities in Denmark
- The service is developed and hosted by the Danish Business Authority in close cooperation with other national authorities such as the Danish Customs and Tax Administration and the Danish Working Environment Authority

Our service

- Our service is free of charge
- **Website**
www.businessindenmark.dk
 - overview of the Danish rules and registrations in English, soon also available in German, Polish and Lithuanian
- **Hotline**
phone: +45 72 20 00 30
e-mail: businessindenmark@erst.dk

Business in Denmark offers

- Overview of the Danish rules and registrations when providing services in Denmark
- Information on the Danish labour market model
- More specific information on rules and registration requirements that are relevant for your company via e-mail or phone
- Direct contact to the relevant authority when your question requires more detailed knowledge of a specific rule

RULES YOU MUST KNOW :

Business in Denmark offers

- Overview of the most relevant registration forms for foreign service providers, e.g. registration for VAT and others
- A list over the professions regulated under Danish law and information on how to apply for an authorization for a specific profession
- An upload function on our website, through which you electronically can send applications or other registration forms to the relevant authority
