Brief description of the company

(Provide a short description of your company's activities, products and/or services, advantages and innovation)

Animal husbandry has become a way of life. That's why we believe our products will say more than any words. We currently care for 180 animals aiming to combine tradition with clean and healthy food, proper animal care, and transparency in the producer-buyer relationship.

The origin of our products comes from animals that are raised daily with love and care and a high level of hygiene. We feed our animals with natural food for better quality and tastier milk and milk products. We offer a selection of dairy products with different flavors and textures that you cannot find on the market. We try to grow the products on an ecologically clean farm without further processing, so that you get the right taste.

Main products: 1/ buffalo cheese with raisins and blueberries; 2/buffalo milk cheese with spices 3/buffalo milk yogurt and cow milk yogurt 4/Labneh made from pressed buffalo milk 5/marinated buffalo cheese 6/cow cheese etc.

Reasons for your interest in the Business Co-operation

(What kind cooperation are you looking for? Are you interested in selling and/or buying? What kind of business partners are you looking for? What do you expect from the potential business partners and what kind of partnership?)

Looking for buyers, distributors, importers and other kind of cooperation.

I accept that Enterprise European Network Partners use my contact details for the sole purpose of the Business Co-operation Database
