Brief description of the company

(Provide a short description of your company's activities, products and/or services, advantages and innovation)

JARAVA Winery is a family owned and run winery, located in the North Black Sea region of Bulgaria. The winery works only with selected grape varieties, grown in the North-East and is dedicated to create classy wines with the specific terroir signature.

Vinification in limited editions allows us to pay attention to the finer details of winemaking, ensuring that each bottle is crafted with love and care.

Each of our wines is crafted using different techniques and styles, resulting in a diverse range of flavours and aromas. From delicate and airy to bold and intense, each sip leaves a lasting impression on the palate.

Reasons for your interest in the Business Co-operation

(What kind cooperation are you looking for? Are you interested in selling and/or buying? What kind of business partners are you looking for? What do you expect from the potential business partners and what kind of partnership?)

We are looking for partners among those business profiles:

- Companies specialized in wine imports
- Companies operating food shop chains
- Restaurants and wine bars
- Tour operators interested to add wine tasting and wine experience in their portfolio of services

I accept that Enterprise European Network Partners use my contact details for the sole purpose of the Business Co-operation Database
