

PartnerIT 2012: B2B & FundraiselT conference

15-16 November 2012.

Take the chance to meet your new business partners and potential clients among the companies from all around the Europe during dynamic two-day B2B matchmaking event. Learn about possibilities for fundraising and investments in IT projects from well-known serial entrepreneurs and investors, while expanding your international network. Explore new ideas, develop your knowledge and business opportunities!

Organizers:

OUTSOURCING CENTER SERBIA
CENTER OF EXCELLENCE

SBAN
Serbian Business Angels Network

The application and participation is **FREE OF CHARGE** and on the venue you will be provided with food and beverages.
For more info please go to: <http://partnerit.talkb2b.net>

The **PartnerIT** is a two days international **B2B matchmaking** event organized by **Outsourcing Center Serbia**, followed by the **FundraiselT conference** organized in partnership with Serbian Business Angels Network (SBAN) and other partners.

B2B matchmaking event

On <http://partnerit.talkb2b.net>, you have the opportunity to leave your profile and book your face-to-face meetings with other international companies and research institutions. This is a cost and time-effective way to discover new business and cooperation opportunities while expanding your contact network. All profiles will be published online and will be extensively promoted before the event and could still be views after the event.

FundraiselT conference

During the conference you will be involved in the direct communication channel with **competent well-known serial entrepreneurs and investors from Silicon Valley and Europe**. In the live discussions panels among successful entrepreneurs and investors you will be able to hear some interesting personal stories, information about various investing models, fundraising methods, success stories, experiences and valuable tips.

PartnerIT 2012 – Opportunity you should not miss!

As a participant in the PartnerIT event, without any fee, you will get:

- Access to our on-line match-making tool
- A personalized schedule with meetings of your choice
- A catalogue including all match-making participants
- The possibility to listen to inspiring, internationally recognized speakers
- Get the latest information on fundraising and investments in IT project
- Lunch on the 15th and the 16th of November
- Coffee and refreshments
- Networking and fun at the big farewell party at the evening on the 16th of November

See you in November in Belgrade!
