TOKYO METROPOLITAN GOVERNMENT

Invest Tokyo

Access to TOKYO

Tokyo Metropolitan Government Accelerator Program 2018

FinTech/Tech BUSINESS CAMP TOKYO

TARGET COMPANIES AND NO. OF COMPANIES TO BE SELECTED

FINTECH BUSINESS CAMP TOKYO:

- ✓ Foreign companies which have not yet established a Japanese corporate entity.
- ✓ Companies with advanced FinTech technologies (e.g. AI, IoT, blockchain, VR/AR, robotics).
- ✓ Around 10 companies will be selected.

TECH BUSINESS CAMP TOKYO:

- ✓ Foreign companies which have not yet established a Japanese corporate entity.
- ✓ Companies with advanced technologies (e.g. AI, IoT, VR/AR, robotics, big data, excluding FinTech related-technologies)
- ✓ Around 10 companies will be selected.

ADVANTAGES OF PARTICIPATING IN THE PROGRAM

- ✓ Opportunities to meet with leading Tokyo companies. (Check our website for the latest list of mentor companies.)
- ✓ Increase in potential business opportunities with around 100 Tokyo companies from all industries attending the pitch event and networking events.
- ✓ Support provided by TMG for PR activities in Japan (TMG will designate the types of media to be used and when promotions will take place).
- ✓ Free office space provided at sites such as Accenture Innovation Hub for the duration of the program.
- ✓ Support with translation and interpretation, meeting arrangements, appointment scheduling, meeting facilitation, and more provided by the Camp Office for the duration of the program.
