

Where **key European public procurers** meet with the latest innovators in the Healthcare sector!

Where?

Carisbrooke Hall,
Seymour Street,
London

When?

May 28th and 29th,
2019

Who ?

Innovative suppliers
and healthcare
public sector procurers

What?

For its second year, EHPPA Days will focus on Innovation Procurement in the Healthcare sector – eHealth and digital solutions. More than 20 European countries represented.

**Access to the
registration page ►**

How?

The event starts with a half-day conference, followed by a day and a half of B2B meetings and workshops. An online tool will be available to send meeting requests and facilitate contacts between any participant.

Why?

EHPPA Days are a unique opportunity for suppliers to make themselves known to key public healthcare procurers across Europe and be part of a forum for healthcare innovation. European procurers will be able to source health innovations that meet their needs.
