„OPPORTUNITIES AND SOLUTIONS MADE IN EUROPE“ European Robotics and Automation Talks (ERAT) 2022

Visit our website for further information | www.erat.at

The Association of Automation Technologies Styria and GMAR have joined forces in order to establish a new conference - **EUROPEAN ROBOTICS AND AUTOMATION TALKS** - dedicated to trending topics in Automation and Robotics.

AT STYRIA
Plattform Automatisierungstechnik

AT STYRIA
Plattform Automatisierungstechnik

As an **ASSOCIATION FOR AUTOMATION TECHNOLOGIES, AT STYRIA** brings together companies, research facilities and educational institutions. Automation is an extensive field resulting in the diversity of our members. They range from single person businesses for large enterprises including all levels of expertise and education.

AUTOMATION, DIGITIZATION AND CONNECTIVITY will be the central factors in enabling innovation and remaining internationally competitive as a business location. Due to the wide range of technologies, cooperation is required for sustainable success in this area.

With almost 120 members our network employees over 55.000 people, providing products and services around the world. Together we hold extensive knowledge in **ELECTRONICS, MECHANICAL ENGINEERING, AND INFORMATION TECHNOLOGIES**, which guarantees the effective execution of projects in a fast growing and technology driven area.
