

European Smart City

Paris, 14-15 june 2021

Do you have an innovation to offer? Are you looking for a partner? Come and meet key accounts during European Smart City 2021.

We offer you a personalised programme of online business meetings.

Thanks to Enterprise Europe Network and European Smart City get in touch with French and international key accounts to present your solution in the fields of :

mobility, energy and sustainable construction

Conferences and business meetings in English on the smart city

Your commitments:

1. Present your solutions by registering on the platform
2. Respond to the needs stated by the major clients on the dedicated website by requesting meetings.
3. Validate the final planning of your business meetings (20 minutes per meeting) and pay the registration fee (150 € without taxes, by participant)
4. Take advantage of your tailor-made online programme to find the ideal partner

In co-partnership with the members of the Enterprise Europe Network TOPIC consortium: CCI Paris Ile-de-France, Bpifrance, CCI Centre-Val de Loire, CCI Normandie, Dev'up Centre-Val de Loire and AD Normandie.
