6.	SP Jain Institute of Management and Research (SPJIMR) www.spjimr.org	Dr. Ajit Prasad, Professor	BharatiyaVidyaBhavan's S.P. Jain Institute of Management and Research (SPJIMR) is one of the premier business schools in India. Since its inauguration in 1981 by then British Prime Minister Margaret Thatcher, it has been consistently recognized as one of the top 10 business schools in India.SPJIMR's growth is based on commitment to diversify into socially relevant segments and activities that are not adequately addressed at societal level, and accordingly impart the requisite management education. With a campus located in the heart of Mumbai, SPJIMR is an autonomous management institute with entrepreneurial agility ensuring self-financing, personal freedom with professional accountability and corporatized culture, structure and processes.	Izobraževanje
7.	Avignam Group http://www.abhilash.com/index.php	Mr AbhilashPuljal, Managing Director, Avignam Group	Avignam Group companies, based in New Delhi, India, London, UK and Rwanda, are development advisory firms with a vision to alleviate poverty in the emerging world through development of private sector and free markets with a South-South agenda. Avignam is passionate about bringing change to low-income economies through trade relationships and building sustainable models to develop the private sector. They believe that efficient and effective development of the private sector can alleviate poverty faster than aid alone. Avignam Group's sector expertise is in:Agriculture and agro processing, Education and training, Healthcare, Hospitality and tourism, Infrastructure and construction, Natural resources, and Renewable energy. Further details at http://www.abhilash.com/about/about.php	Poslovno svetovanje
8.	Indo – European Affairs	Mr NareshPande, Editor-in-Chief	It is a bimonthly launched in December 1989 after incorporating quarterly journal "India and European Community" which started in May 1975. The publications ran for about twenty years when the Affairs publication was suspended. With the current government's main focus on neighbouring countries, China, Japan and USA there is a strong need for a publication focussed on Europe. Hence "Indo-European Affairs" is under process of its relaunch in January 2015 or the signing of India-EU Bilateral Trade and Investment Agreement, whichever is earlier.	Poslovno svetovanje
