CSCC BUSINESS INSIGHTS 2022

Episode 3

Thursday, April 7th, 2022

1:00 pm (EST) / 7:00 p.m. (CET)

The Canadian Slovenian Chamber of Commerce

invites you to our event:

HUMANIZING TECHNOLOGY – AI & ROBOTICS

When: Thursday, April 7th, 2022

1:00 PM Eastern Standard Time (US and Canada) / **7:00 PM** Central European Time (Slovenia)

The Canadian Chamber of Commerce is honoured to present our guest speakers:

Mr. Ty Shattuck, CEO, McMaster Innovation Centre, Hamilton, Canada
and

Dr. Maša Jazbec, Head of DDTlab, Public Cultural Institute Delavski dom Trbovlje, Slovenia;
Artist, Curator, Researcher

They'll take us on a journey of discovery into the world of AI and Robotics. The application of AI and robotics is on the rise and brings innovative solutions to healthcare, manufacturing, and far beyond what most of us can even imagine. We are pleased to present this topic that is sure to interest a very multi-generational audience and presents synergies between Slovenia and Canada.

Register in advance for this event:

<https://zoom.us/meeting/register/tJlrdOCvqj0tHdOtOM4gXf61zfSFIAIfSoU0>

After registering, you will receive a confirmation email containing information about joining the event.

Note: The Canadian Slovenian Chamber of Commerce invites you to connect with us as our members present valuable business expertise and insights. We hope that these events will inform and inspire you as we navigate together through 2022 with hope and promise. The seminars will be presented via Zoom and subsequently posted on Youtube for those of you who may not be able to attend the live events.
