

Invitation to the presentation
"Invest in Eastern Serbia"
September 9, 2021, 1 - 3 pm, Hotel M, Belgrade

Dear Sir or Madam,

RARIS - The Regional Agency for Development of Eastern Serbia, together with the Municipality of Knjaževac, is pleased to invite you to a presentation of the investment potentials of Eastern Serbia, which will be held on September 9th in Belgrade. Eastern Serbia consists of the cities of Zaječar and Bor and the municipalities of Majdanpek, Kladovo, Negotin, Knjaževac, Sokobanja and Boljevac

Eastern Serbia is the right place for investments for everyone:

- Who does not care that he is on the highway and does not want to pay too much for the land and communal infrastructure and who wants a location with good roads, where there is still no great competition from foreign investors,
- Who is looking for a place where workers can still be selected, with a large selection of local suppliers and where the local community will welcome you warmly and treat you more than fair.
