VISIT OUR WEBSITE

Join AgriTech latest innovation and knowledge in agriculture from Slovenia and Japan by the Embassy of Slovenia in Japan and SPIRIT Invest Slovenia and discover the Potential of AGRI-TECH cooperation between Slovenia and Japan.

AgriTech solutions are rapidly revolutionizing the way we produce and consume agricultural products paving the way towards circular and green economy.

Join us and connect with world-class Slovenian and Japanese AgriTech developers

Establish new partnerships with: KUBOTA, ACIES BIO, Ac-Planta Inc., Waboost, ARK Inc. and PanOrganix.

These AgriTech innovators will have a short presentation of their innovative products/solutions. The event will be also joined by high level representatives of the Ministry of Agriculture, Forestry and Fisheries (Japan), the Ministry of Economic Development and Technology (Slovenia), the Chamber of Commerce and Industry of Slovenia and the International Fair of Agriculture and Food in Slovenia (AGRA).

Key benefits for participants:

- Meet Slovenian and Japanese innovators in AgriTech
- Discover key insights, trends and research in AgriTech
- Discover the potential of Agriculture Market in Slovenia
- Discover the possibilities for presentation on the International Fair of Agriculture and Food (AGRA) in Slovenia
- Learn about potential partners and investments in Slovenia and Japan
