

# Invitation Wood Industry Convention

7th edition  
November 26, 2024  
9:30 – 17:00  
Hotel Emerald, Pristina

You are welcome to participate in **7th edition of Wood Industry Convention** that will be held on **November 26, 2024**, at **Emerald Hotel, Pristina**.

Topic of the 7th edition of Wood Industry Convention is: **Competitiveness, export and potential of the wood processing industry as one of the industries with the most dynamic development and cooperation between industry and academia for fostering the innovation.**

The convention will feature four panel discussions on various topics relevant to the woodworking industry, with panelists from institutions, industry and academia. Local wood manufacturing companies will be exhibiting their newest products that are made in Kosovo. During the Convention, **B2B** meetings will be held between companies from Kosovo and foreign companies with the aim of establishing cooperation for export. The convention will close with the announcement of the winners of the seventh edition of the **Student Design Competition**.

The seventh edition of the **Wood Industry Convention** is organized by the **Association of Wood Processors of Kosovo**

Considering you as one of the most important person and contributor in matters related to economy, we consider that your participation is an added to this convention. Therefore, we have the honor to invite you to the **7th edition of the Wood Industry Convention**.
