

THE FOURTH CHINA-CEEC  
CONFERENCE ON INNOVATION COOPERATION  
第四届中国-中东欧国家创新合作大会

Dear,

It is our pleasure to invite you to attend the 4th China-CEEC Conference on Innovation Cooperation which will be held in Belgrade, Serbia, on October 8-9, 2019.

The Fourth China-CEEC (17+1) Conference on Innovation will bring together the most relevant representatives of all stakeholder groups in the innovation ecosystem: the ministers for innovation, economy, industry and trade, startup companies, business incubators, industrial and high tech parks, investment funds, universities, institutes and other interested parties from the PR China and 17 CEE countries.

This is the first conference of this format that will be attended by the Minister of Science and Technology of the PR of China, Mr. Wang Zhigang. Ministers from more than 10 CEE countries have already confirmed their attendance. Simultaneously with the Ministerial Conference, a business part of the Conference will be held with more than 100 companies, universities and institutions from the PR China.

In addition to the panels, where the most relevant speakers from various industries will discuss the trends in the field of innovation, technology and digitization, with particular focus on cooperation between the PR China and CEE region, the Conference will host a special session in the format of industry related roundtables, aimed to connect innovation leaders from different industries, both large corporates and technological start-ups. Participants will have an opportunity to present their companies, exchange their experience and opinions and discuss possibilities for cooperation directly.

Please follow this link for the detailed information about the Conference and Registration Application: <https://china-ceec-innovation.com>

During the Conference, participants will have access to specially designed online networking platform in order to make appointments and schedule bilateral meeting venues between each other.

We are looking forward to welcoming you in Belgrade.

Sincerely,

---

Nenad Popovic

Chairman of the Organizational Committee of the Conference  
Minister for Innovation and Technological Development,  
Government of the Republic of Serbia

---

Marko Cadez

President of the Serbian  
Chamber of Commerce
