**Re: MBS proposal to investors**

**Dear Sirs,**

MBS Business Ltd. is a supplier of industrial products in the area of machine building, welding constructions, spare parts. We supply both for the local market in Bulgaria and international markets. More information is available on [www.mbs-bg.com](http://www.mbs-bg.com).

The company owns industrial buildings in the town of Cherven Briag, Northwestern Bulgaria. The town has traditions in machine building. EU companies investing in manufacturing there, like the industrial company PALFINGER AG, Austria, which has built big manufacturing factory, nearby our facilities.

We are looking for long-term partnership with investors, who are interesting in transferring and establishing business in Bulgaria. We could offer our industrial buildings, equipment and logistics for developing investment business.

See bellow short presentation of our assets:
