

REBUILD UKRAINE 2023 WARSAW, REPUBLIC OF POLAND

“

The reconstruction of Ukraine is a joint task of the entire democratic world, of all countries that can say we are civilized!

President of Ukraine Volodymyr Zelensky

While the Armed Forces of our country are courageously repelling the aggressor from our land, the Ukrainian-British exhibition company "Premier Expo" has launched the **ReBuild Ukraine** exhibition conference, which will help Ukrainian Communities affected by the war to maintain a normal life.

The international exhibition and conference **ReBuild Ukraine** will be held on **February 15-16, 2023 in the city of Warsaw, Republic of Poland.**

The event is held under the official support of the Ministry for Communities and Territories Development of Ukraine, the Ministry of Foreign Affairs of Ukraine, the Ministry for Reintegration of the Temporary Occupied Territories, as well as relevant ministries of EU partner countries.

The main task of the International exhibition and conference is to accelerate the attraction of financing for the reconstruction of Ukrainian Communities which suffered as the result of the military aggression, and the attraction of investments to the cities and regions of Ukraine, which currently carry an additional burden and have investment projects for their development in various fields.

The format of the International exhibition and conference is to unite state structures, international donor and financial institutions, Territorial Communities, representatives of charitable funds, and investment and construction companies on one public platform.

 **Intergovernmental press briefing** opens the exhibition and conference ReBuild Ukraine. The renovation of Ukraine will be the most difficult reconstruction project since the Second World War. The scale of destruction is so significant that only with the active participation of partner countries it is possible to cope with this challenge. It will become a window of opportunity for many sectors of the economy, both in Ukraine and in other countries of the world.

The following representatives of state authorities are invited to share their vision regarding the reconstruction process:

Representative of Office
of the President of Ukraine

Representative of the
Ministry for Communities,
Territories and Infrastructure
Development of Ukraine

Minister Mr. Waldemar Buda
Ministry of Economic
Development and Technology
at the Republic of Poland

Minister Mr. Ing. Józef Sikela
Ministry of Industry and Trade
of the Czech Republic

Vice-Minister Mr. Vinkas Yurgutis
 Ministry of the Economy
 and Innovation
 of the Republic of Lithuania

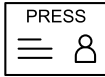

Representative of the
 Ministry of Economy and
 Climate of Germany

Representative of the government
 of the United Kingdom

Minister Mr. Lars Lokke Rasmussen
 Ministry of Foreign Affairs of Denmark

The Ukrainian and international media is invited to press briefing

✓ **The key component** of the exhibition is the **National Pavilion "Ukraine and its Communities"**, where 25 Ukrainian cities and towns will present their vision of priority reconstruction projects and further development of their communities by means of investments attraction.

✓ **Communities Marathon** - presentations of each community will be held on February 15-16, 2023.

Participating Territorial Communities

✓ Investment conference "Revival of municipalities. Opportunities for investors" - the main topic for discussion will be the economic potential of Ukrainian municipalities from an investment perspective. Why invest in Ukraine? Industrial parks are a key investment trend.

Analysis of the most successfully implemented and current investment cases in Ukraine. Investment organizations and financial institutions are invited.

Conference Programme

✓ Ukraine is the world's largest construction site! – the main trigger, which is the basis of another exhibition event - Recovery Construction Forum, which will be held on February 15, 2023. The main partners of "Premier Expo" in the organization of this event are FIEC - European Construction Industry Federation and the Confederation of Builders of Ukraine.

The Forum will bring together the leading construction companies of Ukraine and the EU. The main topic will be issues of strategic recovery planning, rules, and policies of participation of international companies in the reconstruction of Ukraine. We would like to remind you that the losses for the reconstruction of civil and critical infrastructure amount to appr. 750 billion dollars.

We would like to remind you that the losses for the reconstruction of civil and critical infrastructure amount to appr. 750 billion dollars.
