II. Business matchmaking

5-8 one to one meetings will be organized for each company with pre-selected related Chinese counterparts. Each meeting is 30 minutes long.

After these meetings, the participants will still have the opportunity to have further and more detailed conversations and interactions with each other in the following networking events.

All guests are welcomed to visits the Langfang International Economic and Trade Exhibition and Fair (from May 18th to May 21st) where they may meet many Chinese companies and gather more information about them.

The uniqueness of the event is providing a platform for companies in CEE and in China to build new business connections through the face to face match up meeting with more targeted counterparts and the Bank of China will give all the necessary support to help promote the industrial ties and provide financial solutions.

III. Language and interpreters

The organizer of the event will provide English-Chinese interpreters and please inform us in advance if you would like to use this service.

IV. Costs

The organizer will cover the accommodation, meal and local transportation for the first 150 participants (from around 100 companies) in the whole CEE region during the conference from **May 16th to May 21**.

Registered participants **only need to cover their own flight tickets to/from China.**
