

SRB International Pvt. Ltd.

SRB Group is one of India's leading business group whose growth has gone from strength to strength and the Company has fast established itself as an honest, hard-working, and result-orientated company. Founded two decades before, SRB has grown to become a global integrated engineering and technology solution provider having its presence in India, Russia & CIS with businesses in key industries – Mining, Metallurgy, Railway, Power, Oil & Gas, Defence & Heavy Engineering.

Our team of more than 200 marketing engineers & executives having profound techno-commercial expertise for focused approach creates a multi touch point services. We have storage yards, logistics centers, workshops equipped with necessary tools and mechanisms, secures high quality and quick service & team of service engineers with a wide experience- equipped with all necessary tools, service machines, specialized devices for repair works and diagnostics, a network of warehouses & regional offices all around India which helps us to fulfill customers need without delay.

In past decade SRB has evolved as company to rely on the activities which is just way different from marketing or representation, we have strengthened our grass routes and evolved as a company who successfully provide site services which is from means of Erection of Equipment, Commissioning and further extending service for maintenance and operation of the supplied equipment.

Our management expertise, disciplined approach, sophisticated risk models and responsive client service have earned us a reputation for excellence throughout our industry. We are driven by most efficient team of highly experienced professionals & former chairmen and directors of Public Sector Industries of Government of India such as Steel Authority of India Limited & its subsidiaries like Bokaro, Bhilai, Rourkela, Durgapur etc. Coal India Limited & its subsidiaries, NMDC, KIOCL, RINL, Indian Railways Board, EIL, ONGC, IOCL etc.

As SRB is involved in multiple horizons, so as to inform we also have developed as one of the trading companies who at present are exporting Indian Products to more than 15 odd countries whether it is FMCG, Medical devices / apparatus, Granite & Marble products (Monuments & Stones).

We have not kept our selves limited to this now we have also started to export Engineering Goods & Products (Starting from Raw material (Plates, Pipes, Bars, SS) to finished good like motors, cables, compressor etc., Specifically for this we have been supplying equipment to our principal companies who are already associated with us for the moment.

SRB Group represents several renowned heavy machine building plants such as:
JSC Uralmash Plant, Russia, Sinara Group, Russia (JSC Kalugaputmash & JSC Remputmash), JSC Rudgormash, Russia, Bosio., Slovenia, Inteco Group, Austria, Wepuko Pahnke GMBH, Germany, Friggi Italy, Kappa GI Italy

Apart from above, we represent in total around 50 companies around the globe.

Due to our strong representation of the above mentioned companies in India we have been able to develop a strong clientele base in India and our core clients exist of Coal India Limited (CIL) & its subsidiaries, Steel Authority of India Limited (SAIL) and its subsidiaries, RINL, NMDC, HPCL, NAYARA, EIL, Indian Railways Board, RDSO & COFMOW and All Major Private Sector Organizations in India.

In reference to mentioned above we want to further expand our basket with more companies from different countries and hence we are extending our request to you for letting us know that which all companies are interested in your country who wants to develop business in India as we can act as their marketing wings and partners in execution of the projects both as a partner or as facilitator whichever is the demand of the client.

In terms of strengthening the bilateral trade in the area of commodities for Medical / Stone / FMCG etc we are ready to explore with your country's demand and accordingly we can immediately start the same.
