

U.S. Embassy Ljubljana cordially invites you to join the **Slovenian Delegation** at the [SelectUSA Investment Summit](#) from June 7-11, 2021, which, in this year's 8th edition, will be held virtually.

The Summit is a high-profile event hosted by the U.S. Government for selected international companies with an interest in establishing or expanding its presence in the United States. With its proven track record for business success, this year's Summit is expected to attract more than 3,000 participants from 75+ international markets and 45+ U.S. states and territories.

Thanks to its virtual format this year, the Summit can be easily customized to meet your specific business objectives with key elements that provide a unique opportunity to:

- Gain **first-hand insights** on the Biden Administration's trade policies from senior government officials.
- Schedule individual **one-on-one meetings** among 790+ U.S. economic development organizations, government representatives, and service providers.
- Hear from **150+ speakers** including C-Suite executives discussing trending economic and business issues.
- Engage in an **Industry RoadTrip** - deep-dives on investment opportunities and trends in your industry with industry leaders and economic development experts from throughout the United States.
- Attend the **Investors' Academy** to find answers to all practical questions around visas, legal requirements, site selection, workforce development, fiscal incentives, and more.

In addition to the intensive programming offered during the June 7-11 Summit dates, on-demand sessions and follow-up meetings will remain open throughout June to allow for flexible participation and maximum one-to-one meeting engagements.

You will find further details on the program attached to this email. We look forward to discussing this agenda with you in greater detail to best tailor your Summit experience to your business goals.
