PROGRAM INFORMATION:

Overview

The exchange discussion will serve to deepen trade and investment ties between the European Union and the United States of America

Objectives

To bring together venture capital firms, entrepreneurial ecosystems and small and medium enterprises in need of access to capital from both sides of the Atlantic with private sector and government experts from both the U.S. and Europe.

Event Information

To expand commercial and investment ties between the U.S. and E.U, identify ways to strengthen co-operation on issues of mutual interest such as access to finance for Small and Medium Enterprise in this sector. Find ways to drive outcomes in meeting the needs of Small and Medium Enterprises for access to finance

This webinar will be a roundtable online format
