

OHIO GLOBAL AEROSPACE & SUPPLIER SUMMIT

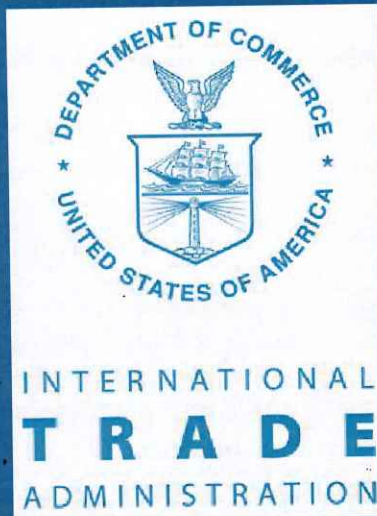

Hosted by

wholly affiliated with
Parallax Advanced Research

Ohio's Economic
Development Corporation

When: May 16 -17, 2023
Where: Cleveland, Ohio

[REGISTER HERE](#)

ABOUT THE EVENT:

The Summit brings together aerospace and supply chain stakeholders and representatives from across the United States to learn about the global aerospace supply chain landscape. Attendees will hear from various aerospace OEM speakers and thought leaders.

Key themes include:

- High-speed flight microelectronics
- Advanced air mobility
- Commercial space innovation

WHO'S INVITED?

Global aerospace supply chain stakeholders and representatives, including manufacturers of all scales, small and large businesses, contractors, government, and academia.

EVENT FEATURES:

- May 17th, open all day: A B2B and B2G portal allowing companies to meet with aerospace companies, OEMs, and commercial specialists from overseas embassies
- Overview of Ohio aerospace supply chain, needs, and opportunities
- Overview of microelectronics in the aerospace supply chain and how Ohio supports its manufacturing and development
- Overview of commercial space and innovation opportunities in collaboration with NASA
- Overview of future travel, high-speed flight, and advanced air mobility opportunities
- Engagement opportunities with aerospace supply chain representatives and stakeholders

PRE-SUMMIT EVENT AGENDA

Who's Invited to the Pre-Summit Event?

For Small Businesses and Underrepresented Business Enterprises, Boeings, "UBEs," including parts manufacturers, IT software firms, engineering firms in AI/ML, Avionics, Automotive or Sensors, or Logistics firms, interested in understanding the exporting opportunities within the aerospace industry and the network of ecosystem resources available to help pursue them. UBEs - include minority, women, and veteran-owned businesses that have been historically underrepresented.

Pre-Summit Event Objectives:

- Inform Small Businesses and UBE Firms about Exporting Contractual Opportunities
- Educate Small Businesses and UBE Firms on Exporting Processes and Requirements to Pursue Opportunities
- Connect Small Businesses and UBE Firms with Other Organizations and Appropriate Post-Event Technical Support

Tuesday, May 16 @ Ohio Aerospace Institute

1 – 1:15 pm Opening Remarks

1:15–2:15 pm Panel: Aerospace Exporting Success Stories and Opportunities for UBEs

This panel discussion outlines what exporting opportunities are available for Small Businesses/UBEs and the success stories of Small Businesses/UBEs who successfully used exporting to scale up their business. Panelists will include Aerospace Companies, Small Businesses, and Underrepresented Business Enterprises representatives.

2:15 – 2:20 pm Break

2:20–3:20 pm Panel: Exporting Fundamentals – What Do You Need to Know & Where to Go for Support?

This panel discussion details what you need to know and where to go to obtain technical and financial assistance to pursue these opportunities.

3:20 – 3:25 pm Break

3:25–4:25 pm Panel: Additional Support to Help You in Your Exporting Journey

This closing panel discussion introduces Small Businesses/UBEs to the various local entrepreneurial support organizations that can provide additional assistance for Small Businesses/UBEs pursuing exporting opportunities in the Aerospace industry.

4:25 – 4:45 pm Closing Remarks

4:45 – 5:30 pm Break

SUMMIT AGENDA

Tuesday, May 16 @ Ohio Aerospace Institute

5:30 – 7:30 pm Summit Opening Reception

- Ohio Governor's Office, State of Ohio, NASA Glenn Research Center Director

Wednesday, May 17 @ The Aviator Events Center

8 – 8:30 am Registration

8:30 – 9:30 am

- **Welcome** – Dr. John Sankovic, President, Ohio Aerospace Institute
- **Ohio's Aerospace and Defense Strategy** – Col. Joseph Zeis, Sr. Advisor for Aerospace and Defense, Office of the Governor, State of Ohio
- **Overview of Ohio Aerospace Landscape: Why Ohio is a major Aerospace State** – Glenn Richardson, Managing Director, Advanced Manufacturing & Aerospace, JobsOhio
- **Ohio's Global Importance** – Ohio Manufacturer TBD

9:30 – 10:00 am

Networking & Exhibits

10:00 – 10:30 am: Global Commercial Aviation Future

- Embraer (Invited), SAFRAN (Invited)

10:30 – 11:30 am: Panel: A Sustainable Aviation Future & Future Global Operations – How electrification and alternative fuels will affect the industry moving forward

- Airbus, GE Aerospace, Boeing (Invited)

11:30 – 11:45 am

Break

11:45 – 1:00 pm Lunch & Presentation: The Importance of Microelectronics in Aerospace and Ohio's Central Role

- Secretary of Commerce – Invited

1:00 – 2:30 pm Plenary Sessions:

- **Space-Embracing Commercial Innovation**
- **NASA Communications Service Program**, Ohio Aerospace Institute, Viasat, Telesat, SES, Kuiper, Inmarsat, Airbus
- **Low-Earth Economy- Working in Space**, Voyager- Nanoracks Starlab, Zin, The Ohio State University, and Blue Abyss

2:30 – 2:45 pm

Break

2:45 – 3:45 pm Plenary Session: Avionics & Microelectronics

- Intel (Invited), L3 Harris, Keith Bowman, VP Advance Aerospace Division, Parallax Advanced Research

3:45 – 4:45 pm Plenary Session: Future of Travel- High-speed Flight to Advanced Air Mobility Opportunities

- NASA, Low Boom, Tim McCartney, Eve Air Mobility (Invited)

4:45 – 5 pm Wrap-up / Q&A
